## Remarks:

Your proposed reply seems to cover the issue of the ratio of internal v external CT's. However, in view of what appears to be a larger and more complex problem of CT's for the DD/P, I wonder if you should wait on this memo.

MEMORANDUM FOR: Deputy Director for Plans

SUBJECT : Clandestine Services Career Trainees

In reference to your memorandum of 2 August 1968 concerning the input of internal candidates into the CT Program for FY 1968 and FY 1970, it was never intended that the number of internals would be fixed at a specific figure. It is recognized that you may have more or less qualified internals during these two fiscal years that you wish to enter into the Program, and I doubt that the numbers will vary a great deal. My one concern was that the emphasis on internals might be so great as to reduce our external recruitment system requirement to the point where our pipeline would tend to trickle if not dry out. I know that you share this concern and let us agree that there is no hard and fast ratio between externals and internals.

R. L. Bannerman
